

SAFETY AND TECHNICAL COURSES AVAILABLE ON THE ENERGY ONLINE LEARNING CENTER

UPDATED: 12/13/05

WWW.ENERGYOLC.COM

▶ AC Circuits	Available
▶ Applied Electricity	Available
▶ Asbestos Awareness	Available
▶ Back Safety	Available
▶ Behavior-based Safety for Supervisors	Available
▶ Blueprint Reading: Electrical Print Reading	Available
▶ Centrifugal Pumps--Types and Components Training	Available
▶ Chemical Process Safety	Available
▶ Compressed Gas Safety	Available
▶ Construction Safety Orientation	Available
▶ DOT 1: Hazardous Materials Table	Available
▶ DOT 2: Packaging and Labeling	Available
▶ DOT 3: Shipping Papers	Available
▶ DOT 4: Loading and Storage	Available
▶ Electrical Safety Awareness	Available
▶ Electrical/Electronics: Solid State Theory	Available

▶ Emergency Response	Available
▶ Fall Protection Awareness	Available
▶ Fire and Explosion Hazards (H)	Available
▶ Fire Prevention and Safety	Available
▶ Forklift Safety	Available
▶ General Technical Base Course	Available
▶ Hand and Power Tool Safety	Available
▶ Hot Work Permits	Available
▶ Indoor Hoisting and Rigging	Available
▶ Industrial Safety - Applied Ergonomics	Available
▶ Industrial Safety - Confined Space Entry	Available
▶ Industrial Safety - Eye and Face Protection	Available
▶ Industrial Safety - Fall Protection	Available
▶ Industrial Safety - Forklift Safety	Available
▶ Industrial Safety - Hazard Communication	Available
▶ Industrial Safety - HazMat	Available
▶ Industrial Safety - Lockout and Tagout	Available
▶ Industrial Safety - Personal Protective Equipment	Available
▶ Industrial Safety - Respirator Use	Available

▶ Industrial Safety - Slips, Trips, and Falls	Available
▶ Industrial Safety ? Ladder and Stairway Safety	Available
▶ Laboratory Safety	Available
▶ Ladder and Scaffolding Safety	Available
▶ Ladder Safety	Available
▶ Laser Safety Training	Available
▶ Lead Awareness	Available
▶ Machine Guarding Safety	Available
▶ Occupational Health and Safety (HRCI/PHR)	Available
▶ OSHA 300 Recordkeeping	Available
▶ Personal Protective Equipment: Body Protection	Available
▶ Personal Protective Equipment: Head Protection	Available
▶ Positive Displacement Pumps	Available
▶ PPE: Foot and Leg Protection	Available
▶ PPE: Hand Protection	Available
▶ Radiation Safety	Available
▶ Regulatory Overview (HAZWOPER)	Available
▶ Respiratory Protection	Available
▶ Safe Work Practices	Available

▶ Safety: Electrical Safety	Available
▶ Site Control (HAZWOPER)	Available
▶ Site Safety and Health Plan Procedures (HAZWOPER)	Available
▶ Slips, Trips, and Falls	Available
▶ Toxicology (HAZWOPER)	Available
▶ Trenching and Excavation Safety	Available
▶ Welding, Cutting, and Brazing	Available
▶ Workplace Hazardous Materials Information System	Available
▶ Workplace Safety Orientation	Available
